

Snitching vs Reporting

Know the Difference!

Snitching

- Telling on someone just to get them in trouble.
- To hurt or upset someone you don't like
- When someone is not being kind or fair, and it's done for the wrong reasons.

Reporting

- Telling a trusted adult when someone is in danger or something serious is happening.
- To keep yourself safe
- To keep someone else/others safe
- The problem might be urgent/important
- Speaking out because you know something is wrong.
